PROCEDURE FOR RECEIVING SCHOLARSHIP ASSISTANCE

Southeastern Christian Education Corporation (SCEC), successor to Southeastern Christian College, is a private, non-profit corporation whose purpose is to support Christian education by providing funds for scholarships to qualified institutions where young people wish to attend. The scholarships awarded are based on rationale for spiritual and educational enrichment and financial need. Priority is given to post-secondary level of education. The ultimate goal is to provide Christian Service.

In considering the scholarships to be given, SCEC has been very careful to select higher education institutions which embrace the criteria noted at bottom of this page.

In order for students to be considered for scholarship the following procedure must be completed:

- 1) Complete Reference Form (SCEC Form IV-A Page 2) attached and signed by a leader of the church you are attending or other SCEC approved Christian organization. *(see description of cooperating institutions at bottom of page 3.) (Student must be formally accepted by the school and enrolled full time to qualify for scholarship funds.)*
- 2) Present SCEC Form IV-A In Duplicate to:
 - One to the Financial Aid Office of the institution chosen (and)
 - One to SCEC at 476 Sparrow Lane; Harrodsburg, KY 40330.
- 3) Student applicant or parents will be asked to complete the Free Application for Federal Student Aid (FAFSA). This form provides the college a uniform determination of the applicant's financial need.
- 4) The Financial Aid Officer of the institution determines the unmet financial need of the applicant. Upon contact by the Financial Aid Officer, SCEC may choose to fund up to \$ * per year to the college or university financial aid office for the applicant. The institution must contact SCEC by March 15 of the year the applicant plans to enroll. *(* the amount will depend upon investment income each year.*
- 5) SCEC will review all colleges' and universities' requests for scholarships at the Spring Meeting of the Board of Directors and authorize the expenditures of its available funds.
- 6) The institution's Financial Aid Office will be notified by SCEC of the amount of the funding available for their qualified students.
- 7) When the fall enrollment occurs, the school financial aid representative will send a request to the SCEC Treasurer requesting the funds for the first semester for the students that have enrolled.
- 8) Should all of the monies not be requested that have been allocated for a particular institution, these funds then become available for other requests.
- 9) Each semester, the educational institution shall request one half (1/2) of the annual grant(s) awarded. A written request shall be sent to SCEC.

NOTE: Students awarded grants at the noted institution continue to have eligibility on succeeding semesters at that institution if they maintain or exceed a grade point average of 2.50 and maintain full time enrollment status.

EDUCATIONAL INSTITUTIONS THAT HAVE RECEIVED SCEC SCHOLARSHIP FUNDS INCLUDE:

Asbury College (Kentucky)
Emmanuel Christian Seminary (Tennessee)
Milligan College (Tennessee)
Johnson University (Tennessee & Florida)
